CAUSE NO. _____

PETITION

To the Indiana Utility Regulatory Commission:

Indiana Utilities Corporation respectfully represents and shows that:

1. Petitioner is a corporation duly organized and existing under and through the laws of the State of Indiana. Petitioner's office is located at 123 West Chestnut Street, Corydon, Indiana 47112.
2. Petitioner is a "public utility" as defined by I.C. § 8-1-2-1 and as such is under the jurisdiction of the Indiana Utility Regulatory Commission. Further, Petitioner believes that by virtue of I.C. § 8-1-2-61 the Commission has jurisdiction over this matter. Additional statutes which may be applicable in this Cause may be found at I.C. § 8-1-2-1 et seq.
3. Petitioner provides pipelines, distribution systems, land, land rights, equipment, materials, supplies, working capital, and other property which is used and useful for the rendering of natural gas service to its customers. Petitioner operates under franchises obtained from various municipalities and certificates obtained from this

Commission or its predecessor. Petitioner supplies gas to both rural and municipal areas in the following counties: Harrison and Floyd Counties, Indiana.

4. Petitioner's current rates, charges, tariffs, rules, and regulations, except as amended from time to time by various GCA proceedings, amended tariffs, or approved alternative regulatory practices, are those last approved by this Commission in Cause No. 42426 through its Order of November 25, 2003. Such rates and charges are unjust, unreasonable, and confiscatory of Petitioner's used and useful property. Such tariffs, rules, and regulations are insufficient for the appropriate provision of natural gas service.

5. Petitioner requests authority to change its current rates, charges, tariffs, rules, and regulations and to issue additional long-term debt, all as supported by the evidence of record in this Cause.

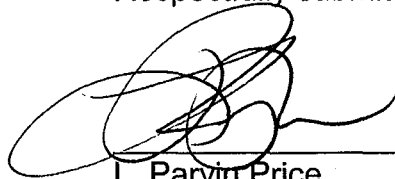

6. Service of all petitions, motions, reports, testimony, exhibits, or papers of any kind to be served upon Petitioner should be served upon Petitioner's counsel of record as here noted:

WHEREFORE, Indiana Utilities Corporation, respectfully petitions this Commission to enter this Petition of record; set this matter for a Prehearing Conference at the earliest time possible; hold such other public hearings as are necessary;

authorize changes in Petitioner's rates, charges, tariffs, rules, and regulations; and for all other relief justice would require in these proceedings.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'L. Parvin Price', written over a horizontal line.
